5 SEWER PROJECTS, STREET PAVING PLANNED

SAYS ONLY NO FROM IKE CAN STOP DRAFT

Movement Gains Ground; Allen Confering With Columbia's President

BY JACK BELL
Associated Press Political Reporter
Senator Sparkman of Alabama said today that only a clear "no" from Gen. Dwight D. Eisenhower now can stop efforts to deliver the Democratic presidential nomination to the wartime commander.

Sparkman, who directed Democratic speakers in the 1946 congress campaign, told a reporter in Washington he doesn't know whether Eisenhower would accept the nomination if it is offered him.

But the Alabama senator made it plain that southern Democrats balking at President Truman's civil rights program will read further silence by Eisenhower at willingness to have his name offered to the party convention opening July 12 in Philadelphia.

On that basis, arrangements were reported for Alabama to yield its first crack at nominating speeches to Kansas, for a home-state nomination of the general.

Might Get In Early
This would put Eisenhower's name in the pot before President Truman could be officially listed as a candidate.

It would give Eisenhower's supporters the chance for a shouting, cowbell ringing, stamp dance by which they might hope to stampede the convention.

There are clear indications that Mr. Truman's friends are scared at what might happen in such a situation.

It was reported to be back of their decision to dispatch George Allen—of "Laughing Boy" fame in the early days of the Truman regime—to talk matters over with the general.

Reached at Eisenhower's Columbia university home in New York, Allen said "no comment."

Charles G. Ross, presidential press secretary, told reporters if Allen is seeing Eisenhower "he is seeing him on his own. I don't know for what purpose."

"He is certainly not an emissary of President Truman," Ross said.

J. Howard McGrath, Democratic national chairman, said the White House hadn't taken any steps to get Eisenhower to remove himself from the race.

With the President barred by his own decision from making any affirmative move, the heat to sidetrack him for Eisenhower got hotter by the hour.

Virginia Democrats, spurred by Senator Harry F. Byrd, planted both feet in the general's camp. Their convention at Richmond instructed the state's 26-vote delegation to Philadelphia to work for Eisenhower's nomination and to vote unanimously against any candidate who is for Mr. Truman's civil rights program.

The Virginia action followed roaring approval by the Georgia Democratic convention of a resolution urging Eisenhower to "respond to this call for service."

Denounce Truman
The Georgians, with 28 nominating votes, adopted another resolution denouncing President Truman as a source of "chaos, confusion and revolt." It called on the President to quit the nomination race.

Elsewhere the general's self-appointed backers sought to touch off a prairie fire.

Approval by the Georgia Democratic leader who has been in and

United Front Vs. Soviet Blockade of Berlin

Pondering the next move in an attempt to break the Russian blockade of Berlin as they walk to a meeting in the city are Lt.-Gen. Sir Charles Keightley, British commander, William H. Draper, Jr., Undersecretary of the Army; Gen. Lucius D. Clay, American military governor, and Lt.-Gen. A. C. Wedemeyer, Army chief of plans and operations. The Russians withdrew from the Allied Kommandatura, but the western Allies said it would be continued on a three-power basis.

Ohioans Begin Celebration Of "Safe And Sane" July 4th

(By Associated Press)
COLUMBUS, July 3.—Ohio approached the celebration of another safe-and-sane July 4 holiday today with the expectation that upwards of a score of citizens would be killed on highways.

The private use of fireworks, as for many years past, will be curtailed by city and state laws, but more cars than ever before are expected to be roaming Ohio.

Unless Ohioans achieve an unusual degree of caution, authorities expect from 15 to 20 persons to be killed in highway accidents, Highway Director Earl L. Reeb issued the annual warning to motorists today, urging safety in driving. Already one traffic fatality was chalked up to intensive holiday traveling.

Worker Killed
Arthur McCoy, 28, Elyria factory worker, was killed last night. His new automobile struck a guard rail on a hill near his home town.

To prevent such accidents, Director Reeb urged motorists to (1) adjust speed to the condition of the road, weather, traffic, your car and yourself; (2) slow down before curves and intersections; and (3) drive at night in such a manner you can stop within the clear, lighted distance ahead.

Throughout the state, Independence day will be celebrated with the traditional and the new.

In Cleveland, Comedian Bob Hope will return to his home city to star in the Festival of Freedom at Cleveland stadium.

At Columbus, residents have their choice among several celebrations, including the annual Independence day fete off the Buckeye Republican club in Franklin park Monday, the two day Jay-see National Air Shows at Port Columbus beginning Sunday, or other, smaller affairs.

The Republican event will be notable for its fireworks and the fact that a Democrat will speak from the same platform as the Republicans.

Shows New Planes
The air shows sponsored by the Columbus Junior Chamber of Commerce, more in the vein of July 4 celebrations, will feature the latest in jet airplanes, parachute jumps and the like.

In suburban Upper Arlington, the annual program of fireworks, parades, street dancing and a children's show, will attract thousands.

Other celebrations will be held in Worthington, Mifflin, Ashville and Mount Sterling.

No city-wide celebration is planned in Cincinnati, although there will be the usual orphanage and church festivals. A similar situation is reported in Akron and Toledo.

Springfield, however, will have its first annual community celebration, with fireworks, presentations of flags to the Springfield National Guard unit by the Chamber of Commerce, baseball games and other events.

SALEM AIRPORT IN FEDERAL PLAN

D. W. Rentzel, Civil Aeronautics administrator, announced today a program calling for the spending of \$73,819,455 on 455 airports in the year started July 1. The proposed Salem field is included.

The federal government will provide \$35,098,459, with local or state sponsors contributing the remaining \$38,720,996.

He said selections for the 1948-49 fiscal year were made on the basis of "most immediate aeronautical necessity."

Of the 455 projects in the new program, 282 will be developed as Class 1, 2 or 3 airports at a federal cost of \$11,584,899, while 173 will be Class 4 or larger fields at a federal cost of \$23,513,560.

Biggest federal grants went to the airport at Chicago, \$1,775,000; the Wayne county field at Detroit, \$1,061,000, and the Fort Worth, Tex., Midway field, \$800,000.

Under CAA rules, the various airport types are distinguished chiefly by runway lengths.

For Class sub 1, runways range up to 1,800 feet long; Class 1, 1,800 to 2,700 feet; Class 2, 2,700 to 3,700; Class 3, 3,700 to 4,700; Class 4, 4,700 to 5,700; Class 5, 5,700 to 6,700; Class 6, 6,700 to 7,700; Class 7, 7,700 to 8,700 feet.

Projects included in the new program, giving the community, the present and proposed airport class (hyphenated figures, with zero indicating it's a new airport planned to be made into class; shown sponsor's funds and federal funds (where the two amounts are identical, only one figure is listed):

OHIO—Canton-Akron, 4-4, \$40,000; Chardon, 1-1, \$9,000 and \$5,000; Cleveland, 3-5, \$100,000; Columbus, 4-5, \$340,000 and \$210,000; Dayton, 4-4, \$95,000 and \$45,000; Jackson-Wellston, 0-1, \$18,000 and \$15,000; Marion, 0-3, \$90,000.

Salem, 0-2, \$131,500 and \$118,500; Springfield, 4-1, \$49,000 and \$45,000; Toledo, 0-5, \$280,000 and \$100,000; Youngstown, 3-4, \$160,000; Zanesville, 1-4, \$30,000.

ONLY 650,000 ON DRAFT ELIGIBILITY

Officials Estimate That Number Remain Eligible In Eight Million

(By United Press)
WASHINGTON, July 3.—Selective Service officials estimated today that there are more than 3,000,000 men in the draft age of 19 through 25 but that only about 650,000 actually are available for induction.

This, however, is expected to provide more than enough men to meet the armed forces' manpower requirements. The Army expects to call up only 225,000 to 250,000 men in the next year.

The Air force and the Navy plan to rely on the voluntary enlistment system entirely to get them the men they need.

World war II veterans make up by far the largest group eliminated from the draft pool by congress. Officials estimate that there are more than 5,000,000 veterans in the 19-through-25 age group who are exempt from the draft under provisions of the new Selective Service law.

Another 1,500 men are classified as physically unfit for military service. About 800,000 men whose ages range from 19 through 25 are now now in the armed services, and another 290,000 are listed as virtually certain to be deferred.

Youths coming of age will keep the pool replenished. It is estimated that about 1,200,000 come of age each year, although roughly half of those will be deferred for one reason or another.

Drafting is not scheduled to begin until Sept. 22. Between now and then local draft boards must be established and all other parts of the Selective Service machinery put in motion.

Members of the local draft boards will be appointed by President Truman on recommendations by state governors. The boards are being informally recruited now.

Most states report that they are having no difficulty getting board members. In some instances veterans of World war II are being asked to serve on the boards.

Some of those sounded out in one southern state about board membership were said to be reluctant to serve because of the time involved and the possibility of the loss of friends. This did not appear to be true in other states, however.

Woman Hurt When Struck By Auto

Mrs. Chester Geist of 364 S. Ellsworth was struck by a car driven by William A. Hoy of R. D. 15, Lisbon, at the corner of Ellsworth and Wilson st. at 1:30 p. m. Friday, police reported.

She was taken to the Central Clinic and treated for bruises of the arm, neck and back.

Car driven by Edward J. Welch of 455 Roosevelt ave., and Allen Wisotzky of Cleveland sideswiped at 3 p. m. Friday on S. Lincoln ave.

The left front fender of Welch's car was damaged, while the left rear fender and bumper of Wisotzky's vehicle were dented.

Court Of Appeals Makes Reversal Of Decision

CLEVELAND, July 3.—The Court of Appeals here today ruled that automobile owners who allow unlicensed drivers to use their cars are responsible in case of accident.

The decision overruled Common Pleas Judge Burt W. Griffin, who allowed a demurrer removing Harry G. Osborn as a defendant in a \$7,500 personal injury suit. The action resulted from an accident involving his automobile when it was driven by his daughter, Mary, 18.

Ex-Newman Dies

CLEVELAND, July 3.—Paul Techert, former Cleveland newspaper music critic, died yesterday. He was 71. Techert wrote for the Cleveland Leader and the Cleveland Plain Dealer.

Publisher Marries

COLUMBUS, July 3.—Edgar T. Wolfe, president and publisher of the Ohio State Journal and co-publisher of the Columbus Dispatch, and Mrs. Eve May Dale of New York, were married Thursday in Columbus.

INDUSTRY AND CHAMBER SEEK WATER RELIEF

Committee Formed To Work With City In Relieving Water Supply

In the hope that some assistance in planning and relief of Salem's critical water situation, the Salem Manufacturers association and the Chamber of Commerce have appointed a committee to confer and work with city officials on the problem.

Officials of the two groups have named Clarence White of Mullins Mfg. Corp. chairman of the water committee. He will be assisted by E. S. Dawson of the Deming Co., George Lozier of the Electric Furnace Co. and Charles Haldi and Lloyd Gordon of the Chamber of Commerce.

This committee, it was pointed out, will function as an advisory and cooperating body with city officials, hoping to assist in a speedy relief and long range planning for the relief to the present critical shortage.

Cut Off Use
Service Director Frank K. Wilson was forced, early this week, to curtail the use of water in Salem in air-conditioning units throughout the city and has contemplated limiting some industrial supplies.

The effect on industry, of course, was serious and the two groups are vitally interested in seeking relief.

Wilson explained earlier that the shortage is unaffected by the above average rainfall, as Salem is supplied from deep wells and the water table is not directly affected by rainfall.

Wilson reported yesterday that the elimination of the supply to the air-conditioning units had cut down usage considerably and this, coupled with the cooler weather of the past few days, has brightened the picture somewhat.

The new committee, however, is most interested in spurring action toward permanent relief of the situation, a project that will be of long duration and not simply a temporary measure.

The group was formed at a meeting Wednesday after initial action by the Manufacturers association. James H. Wilson, president of the Manufacturers association, appointed White, Dawson and Lozier to a special water committee several weeks ago.

Woman Hurt When Struck By Auto

Mrs. Chester Geist of 364 S. Ellsworth was struck by a car driven by William A. Hoy of R. D. 15, Lisbon, at the corner of Ellsworth and Wilson st. at 1:30 p. m. Friday, police reported.

She was taken to the Central Clinic and treated for bruises of the arm, neck and back.

Car driven by Edward J. Welch of 455 Roosevelt ave., and Allen Wisotzky of Cleveland sideswiped at 3 p. m. Friday on S. Lincoln ave.

The left front fender of Welch's car was damaged, while the left rear fender and bumper of Wisotzky's vehicle were dented.

Cincinnati Man Named Hospital Superintendent

Harold A. Zealley, of Cincinnati, has been chosen by the board of trustees of the Salem City hospital for superintendent of the institution. He will begin his duties on Aug. 1.

Miss Hester M. Willis, directress of nurses, has been acting superintendent for the last few months.

Zealley, a brigadier general in the Salvation Army, has been responsible for the operation of two hospitals in the Cincinnati area for several years. His primary responsibility has been financial and for several years he has studied hospital administration in connection with his work at William Booth Memorial hospital, Covington, Ky., and Catherine Booth Home and Hospital, Cincinnati.

For the last five and a half years he has been divisional commander and chief executive officer of the Salvation Army for western and southern Ohio and northwestern Kentucky.

Graduate of the University of Bristol in his native England, Zealley first took up banking, and later studied at University of Cincinnati, having been transferred to this country in 1935.

With experience as cashier and bookkeeper, for four years with an insurance company, Zealley became financial secretary for Salvation Army state work in New Jersey, having been located at Newark.

In Boston he was divisional secretary for eastern Massachusetts and Rhode Island, where he was auditor and inspecting officer. In Hartford he was chief executive officer for Connecticut and western Massachusetts.

Zealley, a member of the Ohio Welfare conference and of several national organizations, has done a great deal of public speaking. His wife also is a public speaker.

He is a brother-in-law of Gen. Albert Osborne of London, England, head of the International Salvation Army organization.

Harold Zealley

FAVOR NORTHERN ROUTE TO BRING TURNPIKE IN OHIO

HARRISBURG, Pa., July 3.—The western extension of the Pennsylvania turnpike probably will run north of Pittsburgh to a point on the Ohio line near Youngstown.

Gov. James H. Duff told a news conference yesterday that plans for the 45 to 50 mile western link of the "dream" road calls for a route running northwest of Pittsburgh, through Monroeville, to Youngstown, with feeder routes to Butler, Sharon and New Castle.

A bridge would carry the road over the Allegheny river.

The Turnpike commission, Gov. Duff said, favors the northern route over another suggestion for running the extension south of Pittsburgh, then northwest to a spot near East Liverpool.

Construction of the western extension, which has been under aerial survey for some time, probably will begin early next year.

Work on the eastern extension of the toll road, now running between Pittsburgh and Harrisburg, will begin in September. Contracts will be let in August.

Six Persons Hurt In Minor Accidents

Six persons were injured, none seriously, in five auto accidents occurring on district highways Friday night and this morning, the state highway patrol reported.

Olden McDole, 24, of East Liverpool was the driver of a coupe which rolled over three times at 3:05 a. m. today on Route 170, near the junction of Route 30. Five persons were in the car.

Injured were the driver, with lacerated scalp, Rose Copstick, 17, of East Liverpool, possible fractured clavicle, and Thelma McDole, 23, bruises. They were taken to the Liverpool city hospital.

McDole said the brakes on the car locked.

Three others were hurt in a mishap on Route 30 at the intersection of Route 267 at 4:30 p. m. Friday, the patrol said.

A car driven by Harold Garrett, 22, of Weirton, W. Va., failed to yield the right-of-way to another driven by Guy H. Timble, 48, of Arlington, Va., and they collided.

Garrett suffered leg bruises and Timble had leg abrasions, while Lloyd Campbell, 30, of Gove Station, W. Va., suffered a sprained back and abrasions.

Garrett was arrested and fined \$25 and costs by Justice Heald of Memorial Park.

None were hurt when a car driven by Samuel E. Vignero, 16, of R. D. 1, Salem, collided with the rear of another driven by Guy T. Seeds, 46, of 163 Park ave. on Route 62, one mile west of Salem at 11 p. m. Friday.

Cars driven by Charles E. Fagan, 19, of 253 S. Lincoln ave., and Arlan P. Mason, 17, of R. D. 4, Salem, sideswiped on Route 62, one-fourth mile north of Salem at 11:30 p. m. Friday. No one was hurt.

A car driven by Warner Freshwater, 33, of New Cumberland, W. Va., dropped onto the berm on Route 30, five miles southeast of Lisbon at 8 p. m. Friday and collided with another car operated by Robert L. Harrison Jr., 29, of Terrace, Pa., when he came back on the highway.

Freshwater was arrested for driving on the wrong side of the road and fined \$10 and costs by Justice Heald.

Local Schedule On Holiday Brims Over

There will be no need for Salem citizens to make long trips over the weekend in search of entertainment. Particularly from the standpoint of sports, there will be plenty of action within a short radius of Salem.

At the Salem Country club a full program is arranged, including a practice trap shoot Sunday, swimming contests Monday afternoon, and dancing in the clubhouse Monday evening.

The Columbiana county tennis tournament will be held both days, managed by Frank Carliss.

At the Golf club a flag tournament is slated for Monday, following the annual Fourth of July dance this evening.

A variety of baseball contests are scheduled. The Amvets will play the Girard Eagles at Centennial park at 2:30 Sunday. The Salem A. C. nine has double-headers both days, while the Altohouse Dodge team also has scheduled games Sunday and Monday at Lake Placencia.

A Cleveland-Detroit double-header will be played in Cleveland Monday afternoon for those who feel up to the trip and crowd. A sell-out is anticipated.

The Salem polo team will telegame with the Detroit Ivoys on the local field.

Police Remind There'll Be No Parking Downtown

Local drivers are reminded that parking will be prohibited on both sides of E. State st. from Lincoln to Ellsworth Monday. The action is being taken by the police department to alleviate holiday traffic congestion through Salem.

ASHLAND, July 3.—Mayor Louis E. Mansfield said today he would request city council to enact an emergency ordinance making it illegal to sprinkle or waste water in a shortage of water has struck many homes here. The mayor said water service was necessary to conserve water until a \$750,000 water improvement program is completed.

Have Water Shortage

ASHLAND, July 3.—Mayor Louis E. Mansfield said today he would request city council to enact an emergency ordinance making it illegal to sprinkle or waste water in a shortage of water has struck many homes here. The mayor said water service was necessary to conserve water until a \$750,000 water improvement program is completed.

CONTRACTS WILL LET NEXT FRIDAY

City To Start Paving Work After Sanitary Lines Are Laid

The first step in a sanitary sewer and street paving program in Salem this summer will be taken next Friday with the letting of bids for five sewer projects pertinent to the beginning of the street improvements previously laid out by city council.

The street program alone, involving paving of eight streets, is estimated at a cost of \$132,027.30 by City Engineer F. S. Barkhoff.

Service Director Frank K. Wilson said today the bids on five sanitary sewer projects will be awarded July 9 so that the sewer work can be completed before the street paving is begun.

Sewer Locations

Wilson said sewers are to be laid in Maple st., from Fair ave. east to block on Spring st., just off Prospect, on Sharp st. from Prospect to Arch, on a section of Arch st., and on W. Ninth st. between Jennings and Ellsworth ave.

Estimates of these projects are not available, but the specifications call for installation of eight-inch sewer lines. These areas are not adequately serviced now, Wilson said.

The street program, cost of which will be borne largely by property owner payments on a foot frontage basis, involves only \$19,075.23 of city funds. The owners will be assessed \$112,952.70 on rates ranging from \$5.42 to \$7.37 per foot frontage.

The type of street paving will vary to some extent in the different projects, depending on engineering specifications. Most of the new pavings, however, will call for a seven-inch base plus a two-inch topping of asphalt.

Authorized By Council

City council authorized the projects several months ago and has made arrangements for the city's share of the cost.

Contracts for the various street projects will be let at a later date, Wilson said, after the sewer projects are far enough along to allow immediate work on the streets. The street contracts will probably be awarded as one large project, he explained. Work is to be completed this summer.

Streets to be paved include:

Fair ave. from E. State st. to Maple st.

Superior ave. from E. Seventh to E. Eighth st.

S. Lundy ave. from Columbia st. to Aetna st.

Vine ave. from E. Third to Fifth st.

Wilson st., from Sharp ave. to Pine ave.

Walnut st., from Penn ave. to S. Lundy ave.

Liberty st., from Newgarden to the city limits.

Arch st., from Newgarden to the city limits.

To Be Surface Treated

Streets included in that program are:

Railroad st., from S. Ellsworth ave. to Newgarden; Franklin ave., from S. Broadway to S. Ellsworth ave.; Jennings ave. from Seventh st. to city limits; Prospect st., from Sharp ave. to city limits; E. Third st., from Highland to Brooklyn ave.; N. Union ave., from E. Third st. to E. Tenth st.

Park ave. from E. State st. to Maple st.; Park drive, from E. State st. to E. Pershing st.; E. Pershing st., from S. Union ave. to Fair ave.; Oak st., from Park ave. to Fair ave.; Summit st., from S. Lincoln ave. to Franklin prospect st.; from Sharp ave. east 400 feet; N. Howard ave. from W. Fifth to W. Seventh st.; E. Ninth st., from N. Lincoln to N. Union ave.

These road treatments in the first paragraph of above listings are to be done at city expense. The ones in the second paragraph were requested by property owners and will be assessed for the partial costs as required by council.

Reporter Gets Inside On Military In Holy Land Fued

By LEO TURNER

NEW YORK, July 3 — A former American officer now in the army of Israel told me in Tel Aviv that if the Egyptian army had not split its forces at Beersheba it would have been in Tel Aviv within two weeks after the start of hostilities.

"When and if the shooting starts again, the trend of the war will depend on how fast we can make of a disciplined army out of a bunch of rocky Jewish boys who kicked the local Arabs around but met their match in an organized army," he said.

The Egyptians swept into Palestine from the south with an armored column of 2,300 men. At Beersheba, they split, one column continuing north along the coast and the second swinging inland toward Hebron, whose mayor had proclaimed King Abdullah of Trans-Jordan supreme ruler of the Hebron district.

Confusion At First

After some confusion on the part of the Trans-Jordan Arab legion garrison there, the Egyptians continued to Jerusalem to join in the shelling of the city that had been mentioned as a possible prize for King Abdullah in the war in Palestine.

"The Jews stopped the Egyptians cold at Isdud in the first artillery battle of the war," the American officer said. "They didn't make a single tactical mistake until they got that far. Then they didn't have the fire power to break through. If they had the men and equipment that went to Jerusalem, they would be in Tel Aviv now."

Similarly, the Jews seized the strategic British security zone in Jerusalem in a few hours fighting, then sat there for three days to show the world they intended only to protect Jewish Jerusalem and not to seize the Arab section of the city. The gesture was lost, Jewish communications failed and the world never learned about it.

If they had swept on into the southern and eastern outskirts before the Arab legion and Egyptian armies arrived, they might have prevented some of the 400 civilian deaths in the incessant shelling of the city.

Both sides blundered frequently. When the cease fire came the war was a draw. The Egyptians occupied two towns in the southern portion of the Jewish state. The Jewish army was in the Arab part of Galilee.

Undoubtedly the best army in the field is King Abdullah's British-officered Arab legion. The legionnaires outside Jerusalem received freshly baked bread, fresh vegetables, meat and mail from Amman daily. They were relieved after three days at the front to return to Amman and see their families. British officers in Haifa say Abdullah has committed only 2,000

of his 15,000 first line fighters to the Palestine war.

Spy Hysteria High

There is spy hysteria throughout Israel. The Egyptians bombed military headquarters of Tel Aviv within a few hours after it had moved into a different section of town. American Haganah officers say Egyptian intelligence is of the best. But what Arab spies don't learn for themselves, the Jews tell them.

Just before the battle of Zion gate in Jerusalem, the paymaster there foolishly got on a walkie-talkie and asked headquarters in Tel Aviv, "how many did you send us for this attack?" the man on the other end just as foolishly told him—and the Arabs.

The Americans—Jewish and gentile—recruited by the late Co. Davis Marcus, who was known here as Mickey Stone, wants to abolish the Palmach, which is the elite striking force trained for years in protection of Jewish settlements, as well as the Irgunists and the Stern gang still in the Haganah. The purpose is to obtain a unified army. One of the principal weaknesses of the Jewish army was these separate groups.

The Egyptians set up a 17,000-gallon gasoline depot outside Isdud. The Irgun sneaked in at night and destroyed it. The Egyptians replaced it the next day. The battle commander ordered the Irgun to destroy it again.

"We destroyed it last night. It's the Palmach's turn tonight," the Irgun commander said.

WINONA

Miss Mary Jane Whinery, daughter of Mr. and Mrs. Russell Whinery, arrived home Tuesday. Miss Whinery has completed her intern-

ship in dietetics at St. Luke's hospital, Cleveland. Miss Whinery has accepted a position as assistant therapeutic dietitian at the Rochester General hospital, Rochester, N. Y. Miss Whinery assumes her new position on July 15.

Miss Emma Lou Broadwater of St. Luke's, Cleveland, is a guest of Miss Mary Jane Whinery.

Dr. and Mrs. Elasha Blackburn of Lima and Mrs. Edith Toulman of Youngstown visited Mrs. Rachael E. Gamble and Mr. and Mrs. E. Y. Gamble here recently.

Mr. and Mrs. Roscoe Stanley and Wilmer and Robert and Dorothy Mae were recent guests at a family dinner at the home of Mr. and Mrs. Clifford Stanley in Salem.

Miss Margaret Rogers attended the A.&P. employees picnic at Mill Creek park Sunday.

Recent dinner guests of Mrs. Lina Megral were S. A. Warman, Mr. and Mrs. Irving Megral of Salem, Mr. and Mrs. John Hanna and Kathryn and Evelyn and David of Damascus.

Visitors in the Mr. and Mrs. E. Y. Gamble home were Mr. and Mrs. Wilbert Schaaf of Augusta and Mr. and Mrs. William Packer and Miss Ethel Packer of Adena.

Communist Expose Is Offered By Laborites

Washington, July 3 — Chairman Hartley (R-N.J.) of the House Labor committee, said today he has received dozens of letters from union workers volunteering to tell the "inside story" of Communist leadership in labor unions.

The offers came less than 24 hours after Hartley, co-author of the Taft-Hartley law, urged union members to "come forward" and tell what they know about the infiltration of Communism in unions.

Hartley made the appeal yesterday during hearings before a house labor subcommittee. Protection was promised any workers who volunteered to testify.

Rev. Birney Stays At Leetonia Church

LEETONIA, July 3 — Rev. Kenneth E. Birney has been reassigned to the Leetonia-Washingtonville Methodist churches for another year.

Rev. Birney will begin his third year Sunday. Merle Davis was the lay delegate from the local church to the Northeast Ohio Conference at Lakeside.

Mrs. Frank Aiken has announced that 17 registrations already have been made for the Happy Hours Kindergarten which opens Oct. 1. Registrations for the coming school year must be made by Sept. 1. Those already enrolled include Bonnie Jay Marshall, Billy Davis, Karen Whitacre, Nancy Jean Hively, Carolyn Stratton, Gail Altomare, Donald Conkey Jr., Martha Gilmore, Carl Morris, John Prior, Roger Burkholder, Billy Machione, Martha Cowher, Leora Ruth Cunningham, Tommy White, Joe Harrold, Paul Conrad.

Mr. and Mrs. George Burton and family have moved to Columbiana where they have purchased a home on W. Park ave.

There are only five precious stones—diamonds, emeralds, opals, rubies, and sapphires.

Acrobatic Billy Goat Walks On Front Legs

KUTTAWA, Ky., July 3 — A two-legged Billy goat which struts around the barnyard on his front legs has attracted sightseers to the farm of Henry Dorroh, about five miles from here.

The goat's hind legs were frozen shortly after it was born last December. Later a cow stepped on the legs, severing both near the knees.

About four weeks later, Dorroh said, he was taken aback as the goat, walking rapidly on his front legs with body upright, came out of the barn. Since then Billy has become one of the family's favorite pets.

Billy gets around the way a gymnast walks on his hands—head down and body up in the air.

302 Registrations Of New Cars, Trucks Shown

LISBON, July 3 — New car registrations jumped to 302 in June, according to certificates of title issued by Clerk of Courts John W. Coleman, topping the May figure of 265.

Registrations include 205 passenger cars, 62 trucks, 18 motorbikes, six motor scooters, four motorcycles, six trailers and one ambulance.

Three Communities To Have Fireworks Monday

LISBON, July 3 — Three permits have been issued by Sheriff George Hayes for Fourth of July fireworks displays in Columbiana county, Monday.

Permits have been granted the Hanover American Legion, the

Lisbon Kiwanis club and the East Palestine City park. Persons obtaining permits are held responsible for property or personal damage, the sheriff warned.

Vorndran To Speak

LISBON, July 3 — County Auditor I. J. Vorndran has been invited to serve as a discussion leader at a

round table at the Milwaukee conference of the National Association of Assessing Officers, to be held on Sept. 30.

His topic will be, "Assessment of Rural Real Estate." The invitation was extended to Vorndran by Albert W. Noonan of Chicago, executive director of the association.

What Does Industrial Freedom Mean to YOU?

MANUFACTURING CORPORATION

SALEM, OHIO

Phone 3-1111 and 3-1112

1 You pick out the kinds of food you want from an abundant selection.

2 You may buy or build any type of house you can afford. A great many workers own their own homes.

3 You have a large selection of cars to fit your pocketbook. The average workman owns a car.

4 You, the American workman, are the best dressed in the world. You can select your clothes from a large variety of styles and fabrics.

In Russia, and other countries where government controls business, men are not free to choose. The state tells you what you can have.

Systems of government control fall down because they smother the distribution of available goods rather than an increase in production, and because they limit the opportunities of the individual citizen. We'll never be asked to vote directly for Communism or socialism, but from time to time we will be asked to vote for persons or parties that give control to the government. We Americans have always had the right to vote more and we will continue to get still more as we must. We'll never be asked to vote for Communism or socialism, but from time to time we will be asked to vote for persons or parties that give control to the government. We Americans have always had the right to vote more and we will continue to get still more as we must. We'll never be asked to vote for Communism or socialism, but from time to time we will be asked to vote for persons or parties that give control to the government. We Americans have always had the right to vote more and we will continue to get still more as we must.

Jessal Guy Is Bride A Lisbon

The home of Mr. and Mrs. James T. Wolf of Lisbon was the scene of a beautiful wedding at 7:30 p. m. Wednesday, when Mr. Wolfe gave their daughter, Jessal Guy, in marriage to Robert Sanders, son of Mr. and Mrs. Ernest Sanders of Columbiana.

Rev. F. C. Kenneweg performed the single ring ceremony in front of the fireplace in the living room, which was decorated with white snapdragons, white carnations and palms, lighted by white candles in candelabra.

Miss Guy chose for her wedding a white gabardine dressmaker suit with a white prayer book with an orchid and white streamers. Her small white Dutch hat was ornate with a white ribbon.

Miss Margaret Grubbs of Salem, maid of honor, appeared in a white dressmaker suit with white accessories. Her hat was like the bride's, trimmed with powder blue ribbon. She carried a colonial bouquet of pink roses.

Little Virginia Charlton of East Palestine, cousin of the bride, was flower girl. She was attired in a white dress with a white sash and carried a small bouquet of pink roses.

Archie Cosma of Lisbon was best man, while Gerald Sanders, brother of the groom, was usher.

Mrs. C. F. Kenneweg presented a quarter of an hour of nuptial music, followed by the traditional wedding march.

Mrs. Wolfe was dressed in grey and white and wore a corsage of pink roses. Mrs. Sanders' corsage was complemented with a corsage of pink roses.

Immediate relatives and friends witnessed the ceremony, which was followed by a reception for 75.

The dining room was beautifully decorated in a pink and white theme, carried out in flowers. A three-tiered wedding cake was served with the refreshments. Mrs. Winifred Byers, Salem; Mrs. Gerald Foster and Mrs. John Snyder of Lisbon and Mrs. Walter Luchinsinger of Youngstown assisted in serving.

After a trip to Niagara Falls, the couple will reside with the groom's parents.

The bride is employed in the law office of Attorney George Lafferty, Lisbon. Mr. Sanders is engaged in farming.

Mr. and Mrs. Sanders remembered the maid of honor with a gold compact and Mr. Cosma with a lighter.

Miss Mary Jane Miller Wedded Thursday

Attired in a white costume, with white accessories and a corsage of red and white roses centered with a gardenia, Miss Mary Jane Miller, daughter of Mr. and Mrs. William J. Miller of North Benton, was married to Robert Sutcliffe, Jr., son of Mr. and Mrs. Robert Sutcliffe of Deerfield at 3:45 p. m. Thursday by Rev. Thomas G. Holmes, pastor of the North Benton church, at the parsonage.

Attendants were Miss Martha Hawley of Norwalk and Donald Close of Deerfield.

The maid of honor's outfit was similar to the bride's.

A dinner at the Raven restaurant, Alliance, preceded a reception in the North Benton Presbyterian church social room. A large number of relatives and friends attended.

Park Yengling Observes 80th Birthday Friday

Park Yengling of Rocky River, formerly of Salem, observed his 80th birthday anniversary Friday.

His two children, W. L. Yengling of Damascus, and Mrs. E. H. Bixler of Winona, were with him for this occasion.

Active in the Sons of Union Veterans, Yengling is a past national commander. He also held various offices in Philip Triem camp, while a resident here.

Mrs. J. B. Bottom of N. Lincoln ave. is confined to her home by illness.

Miss Izenour Honored At Shower Party

Mrs. Harry Izenour received 30 guests at her home, 8 Union ave., Thursday evening when a miscellaneous shower was presented her granddaughter, Miss Shirley Izenour, bride-elect of Wayne Miller.

The shower was planned by Mrs. George Izenour, aunt of the bride-to-be, assisted by her cousins, Misses Ruth and Jeanette Koch.

A pink and white cloth covered the beautifully appointed dining-room table, which was centered with an unusual arrangement of roses, astilbe and baby's breath. At one end was a pink and green parol. Gifts were placed under the parol and around the floral piece.

During the evening the guests read the advice they had written to the bride-elect and were entertained with contests appropriate to the occasion.

Green and pink tones prevailed in the lunch appointments.

The hostess was assisted by her daughters, Mrs. Harry Hetzel of Columbiana and Mrs. John Krumlauf of Salem.

Jean and Nancy Hetzel of Columbiana were among the guests.

Mrs. Michael Snyder of Sebring, formerly Ellen Louise Morris of Salem who is employed at the Ohio Bell Telephone Co., is on vacation.

Mr. and Mrs. Harold Daugherty of N. Broadway, Mrs. Michael Miller of S. Union ave. and her niece, Marie Daugherty of Columbus, formerly of Salem, left Friday for California. Mr. and Mrs. Daugherty will visit in Long Beach and San Francisco. Mrs. Miller will visit her sisters, Mrs. Lawrence Weigand and Mrs. Louise Daugherty at Redondo Beach. Miss Daugherty will remain at Redondo Beach to make her home with her mother, Mrs. Miller and the Daughertys will be there for a month.

Edward Birkhimer, Navy Veteran Now In V. A. Hospital, Is Awarded Diploma

Edward A. Birkhimer, 22, son of Mr. and Mrs. Alonzo Birkhimer of Winona, is one of 17 patients of Brecksville Veterans hospital who received high school diplomas Thursday.

Birkhimer received his diploma at a bedside ceremony at the institution's second annual commencement. He went into the Navy in 1943 during his senior year at Salem High school. He contacted tuberculosis while in the South Pacific, came home in November, 1946, and nine months later he entered the

hospital. It will be eight months before he is discharged, his parents say.

He began his studies shortly after entering the hospital and is still bedfast.

In addition to the 17 veterans receiving high school diplomas, several hundred patients were awarded credits for college courses accomplished in the long white wards. Most of the graduates who can walk received their diplomas at the hospital lawn.

Not An Easy Task

The student-patients list the chief difficulty as the loneliness of individual study which eliminates competitive spirit, the humor and companionship of group work.

Brecksville is the only veterans hospital in the United States awarding diplomas and certificates for high school and college courses. Dr. Bert A. Treister, chief of physical medicine rehabilitation is assisted by Rudolph J. Kutler, director of physical education at Kenyon college for 18 years.

Staff consultants interview patients when they are able to study and outline programs of work after screening their previous educational training. At present, 83 high school students, 69 college students and 53 scholars of supplemental subjects are on the hospital campus.

The Cleveland board of education, Baldwin-Wallace college, Western Reserve university, Red Cross and veterans organizations provide the instructors.

DAMASCUS SCHOOL PROJECTS STARTED

Work Begun On Addition To High School: Goshen Job Progresses

DAMASCUS, July 3—Work on the \$110,000 addition to the Goshen Township High school building was begun Thursday.

The general contracting work has been let to Kille and Haessly of Salem, who hope to have the outside work done by September before school begins.

The plumbing contract was let to the Salem Plumbing & Heating Co., the electric wiring contract to the Modern Electric Co. of Alliance, and the heating contract to the American Warming & Ventilating Co. of Cleveland.

The contracts call for the building to be completed and ready for occupancy by the opening of the 1949-50 school term.

The new wing, which will extend north from the main building, will consist of eight classrooms, new quarters for the superintendent of schools, and a first aid room.

The four-room grade school building at Goshen, north of Damascus, is progressing rapidly. The masonry is completed above the windows and the wiring has been installed. The building is scheduled to be completed in August.

Both the high school addition and the Goshen school are part of a building program approved by the voters of the township at the November, 1946, election. In the form of a \$150,000 bond issue.

WASHINGTONVILLE

Mrs. Lottie Smith of East Liverpool is visiting the home of her sister and husband, Mr. and Mrs. William Welkart.

Welcome lodge No. 247 sponsored a benefit party Thursday evening. There will be another party Friday, July 16.

Members of the Thimble Finger 4-H Girls and advisors enjoyed a wiener roast Tuesday at Firestone park.

Fred Smith and sister, Mrs. Flora Porter, were recent callers in the home of her sister and husband, Mr. and Mrs. Lawrence Fieldhouse.

Mr. and Mrs. Logan Ashman and daughter, Shirley, of Albuquerque, New Mexico, were Wednesday evening guests in the home of his cousin, Mr. and Mrs. Lloyd Culler. Miss Myrtle Baker pleasantly entertained the members of the "Fortnight club" in her home Friday evening. Miss Joyce Flanagan was an invited guest. Cards were played for pastime with honors going to Mrs. Lynn Davis, Mrs. H. L. McIntosh, Mrs. Sadie Stouffer. Mrs. Davis will entertain the club in two weeks.

The July Twelve club were entertained Friday night in the home of Mrs. Clyde Feicht of Greenford. Cards were the diversion. Honors were shared by Mrs. William Grim, Mrs. Russell Smith, Mrs. Howard Feicht and Mrs. Walter Warner. Mrs. Feicht will entertain in two weeks.

J. C. Eyster and Mr. and Mrs. Earl Nease motored to Pittsburgh recently where they visited with Mr. and Mrs. T. O. Rhodes.

Mrs. J. A. Stouffer is confined to her home with arthritis.

Mrs. Jennie Duke and granddaughter, Elsie Butler, were weekend guests of Mrs. Eliza Atkinson.

Harvey Baker and daughter, Myrtle, J. A. Stouffer, Clarence Baker and son Robert, Mrs. Rose Woods and son Walter and Lester Stewart attended the funeral of Thomas McNeel Saturday.

Mrs. Eva Slack of Pittsburgh is visiting relatives and friends in this vicinity.

Lead-A-Hand Meets

Mrs. Roy Summerman recently entertained the members of the Lead-A-Hand club at her home. Bill Call was answered by "My Favorite Rose". The guest prize went to B. B. Halverscheid. Mrs. Samuel Jackson of Salem assisted her mother in serving refreshments.

The July 21 meeting will be at the McNeel home on the Washingtonville rd.

Attend Hospital Program

Mr. and Mrs. Robert McNeel attended the commencement ceremony of the graduating nurses Thursday evening at the John F. Kelly Lutheran church in Salem. Their daughter, Elsie, and brother, who is a student nurse at the Veterans hospital, were also present.

MIDDLETON

NEW BUNGALOW

Immediate possession can be given to this brand new bungalow in a very fine location (East 6th St.). It has hardwood floors, Youngstown Kitchen, partly tile bath. There are four nicely arranged rooms on the first floor and the second floor is floored and can be easily finished.

Price — \$9,000 and it can be sold with \$1,300 cash.

C. D. GOW

REAL ESTATE BROKER
134 South Broadway Phone 6151

HERE IS A GOOD COLUMBIA STREET

PROPERTY REASONABLY PRICED!!

This seven-room home has furnace, bath, electricity and gas. There are three finished rooms on the third floor renting for \$30 per month. Owner occupies the rest of the house. This house could be made to bring in a 9 or 10 per cent investment. Cemented basement. Single garage and nice lot. House nicely planned and is priced far below what would be the actual cost of it. Price \$8,500.

If interested, see us at once.

FRED D. CAPEL

Appearance Of Detroit Riders Here To Draw Large Crowd

ALHOUSE DODGES BOOK TWO TOUGH FOES FOR HOLIDAY

The Althouse Dodge team will have a busy weekend at 2:30 Sunday when they meet a Negro club, the Akron Elite Cafes, and on Monday the Akron Smith Sheriffs will appear on the Lake Placencia field for a double header, with the first game being called at 1:30.

Mose Avery is the manager of the Cafe team, he formerly had the Curtis Coals and the Holland Furnace teams that played on the Placencia field a number of times.

The Cafes compete in the Akron Class "A" league, they defeated the Akron Orphans, 4 to 2 in a non league game on Memorial Day.

Carr, Heames, or Avery will be on the mound for the Cafe.

The Sheriffs, earlier in the year defeated Althouse 5 to 3, scoring two runs in the ninth inning to break a 3 to 3 tie.

Nash, Heineman, or Jerina are the probable Smith hurlers.

Barrett, Haidet, Willis, and Simpson of the Althouse pitching staff will be available for duty in these weekend engagements.

HARRISON ILL BUT FINE ON FAIRWAYS

Arkansas Traveler All Alone At Head Of Motor City Open

DETROIT, July 3—E. J. (Dutch) Harrison, drawing "Arkansas traveler" from Albuquerque, N.M., has been a sick man, but he's doing better today in more ways than one.

The 38-year-old Dutch, just recovering from a siege of Virus-X, was all alone at the head of 68 survivors going into the final 36-holes of the \$15,000 Motor City open golf championship. And the way he's going, the rest of the boys will have to hustle to catch him.

His 36-hole score of 70-67-137 attested to that. It was five strokes under par of 35-36-71 for the two rounds over Meadowbrook Country club's hilly 6,616 yard course.

Right behind were Bobby Locke, Jim Turnesa, Chick Harbert and Johnny Palmer—all a single stroke away with 136.

Stewart (Skip) Alexander and Airline Pilot Elmer Reed had 139's. Amateur Gene Dahlbender of Atlanta and the Veteran Ky Laffon had 140's and Marty Furgol had 141.

Palmer was the only one of four first-day leaders who came up with his second straight sub-par round. Dahlbender put a 73 on top of his opening 68 while Furgol had 73 and the Ancient Joe Kirkwood, Sr., helped himself to a big 77 in the rain.

Only three "name" golfers failed to make the grade for the final 36. They included Toney Penza, the little Cincinnati, who picked up and didn't finish the second round.

When Cleveland Indians' pitcher Bob Lemon, center, 27, pitched his 2-to-0 no-hitter against the Tigers in Detroit's Briggs Stadium, he became the first major leaguer to do it this year. Here, he joins the ranks of the Tribe's no-hit stars, Don Black, left, who got his last year, and Bob Feller, who tossed his second no-hitter in 1946 after his first in 1940.

Indians' No-Hit Trio

Herb McKenley Bests 46 Seconds

MILWAUKEE, July 3—Herb McKenley yesterday became the first man ever to better 46 seconds in the 400 meter run, a feat thought to be as far away as the four minute mile. And, what's more, the Jamaican promised to go all out to surpass his 45.9 seconds performance in today's Senior division finals of the National AAU outdoor championships at Marquette stadium.

Two ace hurdlers, Harrison Dillard of Baldwin-Wallace and Clyde (Smackover) Scott, of Arkansas, qualified in the 110 meter hurdles and the 100 meter dash. Dillard's time top both fields in the preliminaries.

Gene Cole, of the Lancaster, O., High school star, failed to qualify in a 47.8 quartermile heat.

Columbus, O.—Young Bob Amos, 175, Detroit, outpointed the Alabama Kid, 179, Columbus, 10.

Lippy Leo Unhappy, Brooks Slump Into Last Place Today

BY RALPH RODEN
Associated Press Sports Writer

There's no joy in Flattush today. The once mighty Bums are in last place in the National league.

Manager Lippy Durocher's defending champion Brooklyn Dodgers hit Rock Bottom last night before 33,104 at Ebbets field.

The New York Giants applied the coup de grace, scoring three times in the ninth inning to take a 6-4 decision.

Durocher, attempting to halt a five game losing streak, inserted three catchers, and a rookie outfielder in the starting lineup.

Catcher Bruce Edwards was at third, Gil Hodges at first and Roy Campanella behind the plate. Recruit George Shuba, up from Mobile of the Southern Association, was in left field.

Campanella collected two singles and a double and scored twice, including a run in a two run Dodger eighth inning that enabled the Brooks to take a 4-3 lead.

But then came the ninth. Willard Marshall opened the ninth with a homer off Rex Barney, third Brooklyn pitcher to tie the score. Buddy Kerr followed with a single and moved to second on a sacrifice. Whitey Lockman was intentionally walked but Les Layton and Johnny Mize hit consecutive singles to score Kerr and Lockman with the deciding runs.

Moving past the Dodgers were the Chicago Cubs and the Cincinnati Reds. The Cubs moved from eighth to seventh and the Reds from seventh to sixth place as all major league teams played night games.

Chicago turned back the Pirates, 5-1, at Pittsburgh and the Reds handed the second place St. Louis Cardinals their fourth straight defeat, 7-3, at Cincinnati.

The loss dropped the Cards three and a half games back of the front-running Boston Braves who met the Phillies, 7-3, at Philadelphia.

The Cleveland Indians remained a half game ahead of the Philadelphia Athletics in the tight American league pennant race.

The Indians came from behind and beat the Browns, 8-6 at St. Louis with Joe Gordon's pair of two-run homers accounting for the triumph.

At Boston, the Athletics turned back the Red Sox, 4-2, behind the six hit pitching of Rookie Lou Brissie. It was the A's ninth win in their last ten starts.

The third place Yankees were nosed out, 2-1, in 12 innings by the Washington Senators in New York. Carden Gillenwater broke up a pitchers' duel between Walt Masterson and the Yanks' Tommy Byrne by crashing his first home run of the year in the 12th inning. Masterson yielded only three hits.

The victory moved the Senators over the Detroit Tigers into fifth place by a half game. The Tigers dropped a 3-2 decision to the White Sox in Chicago.

DEMING, FURNACE VICTORIOUS OVER CLASS "A" FOES

Measure VFW, Elite Nines In Contests At West End Park Friday

Only two games were played in Class A softball Friday night at West End park, with the Deming team topping the V. F. W. 6-3 and the Electric Furnace winning one from the Elite Upholsters 4-3. Only three more games remain to be played to complete the first round of play.

Kenny Brudery twirled four hit ball for Deming to hold the Vets at bay. His mates, led by Carl Field, with three for four, collected eight bingles.

The Furnacemen got four runs on only four hits to edge the Elites. Four errors by the latter meant their downfall. Warren Courtney, hurling for the Furnace, was touched for five safeties.

Donkey Baseball Game To Begin At 8 Tonight

The donkey baseball game at West End park will get underway at 8 tonight, officials of the V. F. W. team sponsors said today. The game features the V. F. W. and Salem Elites. Money for the game will be used to purchase uniforms for the club and other equipment.

Polo Games Scheduled For Sunday, Monday; Salem Out For Victory Over Big Foe

A long awaited polo event—the contests here with the famous Detroit riders—will be a holiday weekend sports feature for Salem.

The Salem Polo club takes on the vaunted Detroit club at the N. Elsworth road field at 3 p. m. both Sunday and Monday. Detroit's 14-head mount arrived here yesterday and the players were due early today.

Noted throughout the middle-west as one of the top-notch clubs in the "big-time" of polo, Detroit has encountered such teams as Milwaukee, Columbus, Cleveland, Chicago and a few of the eastern teams in the nationally rated category.

Salem will present an experienced front for the Detroit power. Jim Pidgeon, Pete Votaw, Willie Smith, and Walt Fernengel are the top local stars.

Some special features will be arranged for the halftime shows at the games and the polo club is anticipating a large holiday crowd, equal or larger than the Memorial day attendance when Columbus played here.

Some announcements of the results of the camera contest will be made at one of the two games, officials said.

GORDON'S PAIR OF HOMERS WIN GAME

Tribe Second Baseman Puts Over When Necessary; Boudreau Uses 17

ST. LOUIS, July 3—Joe (Flash) Gordon's knack of hitting home runs still looks like pretty good strategy to the Cleveland Indians. He hit Nos. 14 and 15 last night as a case in point, both of them about 370 feet into the left field stand. Results: An 8 to 6 victory for the Indians over the St. Louis Browns, and Cleveland stayed on top of the American league by a half-game.

The first roundtripper came in the fifth inning with one aboard but it still left the Indians trailing, 5 to 4. So in the next inning he did the same thing and the Tribe stayed in front the rest of the way.

Shortstop Manager Lou Boudreau used 17 of his available 24 players, five of them pitchers: Don Black, who got knocked out of the box in the first inning by a two-run St. Louis blast; Ed Killeman, Steve Gromek, Bob Lemon and Russ Christopher.

Killeman let the Browns have two more runs before the first inning ended.

Gromek finally got credit for the game, having pitched three scoreless innings until he was taken out in the eighth.

Yesterday's Stars

Pitching
Walter Masterson, Senators—allowed only three singles in 12 innings as Washington defeated New York, 2-1; struck out two and walked seven.

Batting
Joe Gordon, Indians—Hit his 14th and 15 home runs, each time with Manager Lou Boudreau on base, as Cleveland beat St. Louis, 8-6.

Topeka, Kas.—Pat McCafferty, 173, Topeka, outpointed Bob Garner, 187, Louisville, 10; Buzz Lanning, 150, Des Moines, outpointed Tony Nitro, 150, Youngstown, 4.

AMERICAN LEAGUE
Cleveland 8 St. Louis 6
Philadelphia 4 Boston 2
Chicago 5 Detroit 2

NATIONAL LEAGUE
Boston 7 Philadelphia 3
New York 6 Brooklyn 4
Cincinnati 7 St. Louis 3
Chicago 5 Pittsburgh 1

TOMORROW'S SCHEDULE
American league—Detroit at Chicago (2); Cleveland at St. Louis (2); Washington at New York; Philadelphia at Boston.
National league—New York at Brooklyn; Boston at Philadelphia (2); Chicago at Pittsburgh (2); St. Louis at Cincinnati (2).

Dillard's Record Longer Than Thought

(By United Press)
CLEVELAND—A recount of the week-by-week record today shows that Harrison Dillard, the world record cracking track star from Baldwin-Wallace college, will go into the National AAU meet this weekend at Milwaukee with 82 consecutive victories.

Previously Dillard had been credited with 80 straight, compared to the previous record of 65 straight set by Greg Rice of Notre Dame. A detailed list of Dillard's exploits revealed, however, that the great Negro star has two more triumphs than had originally been credited to him.

Since he was last defeated on May 23, 1947, in the 330-yard low hurdles at the Los Angeles relays by Bill Porter of Northwestern, Dillard has bettered two world records and four American indoor records.

Tribe To Open School In E. Liverpool July 8

EAST LIVERPOOL, July 2—The Cleveland Indians will open a three-day baseball school for Ohio, Pennsylvania and West Virginia boys between 16 and 22 at Patterson field here Thursday, July 8.

OUTLINE IDEAL TEACHER QUALITY

BOWLING GREEN, July 3—The national conference on the education of teachers, which has attracted 800 of the nation's top educators to the campus of Bowling Green State university, will close today.

Principal speaker for the final session of the four-day conference will be W. E. Peck, chairman of the national commission on teacher education and professional standards, a part of the National Education association.

In the semifinal session last night, the Chamberlain commissioner of education compared present day teachers to medieval knights.

"Teaching is a dangerous profession and teachers must have an appreciation of that danger," said Dr. Peck E. Engelman, who recently took the Connecticut post.

"They are in the same stage in the classroom as the medieval in the early times of the medieval profession."

Conference delegates heard a list of 16 qualities for the ideal teacher, a credo formulated by Dr. Peck, dean of the college of education at the University of Minnesota; Dr. Willis E. Dugan, director of student personnel at the same school, and Dr. Engelman.

The qualities they listed:

Appreciation of humanity and essential values of individuals; emotional stability and adjustment; native ability with adequate professional training; intelligent alertness and curiosity; pleasing personality and appearance; love for democratic process; critical thinking and objectivity; healthy physical and mental views; knowledge of educational trends and philosophies and of the importance of human relationships.

Grant Wage Boost
WOOSTER, July 3 — The Ohio Salt Co. plant at near-by Rittman has granted its workers an eight cents hourly wage boost.

• OBITUARY •
MRS. MINNIE BELLE DUBBS
Mrs. Minnie Belle Dubbs, 77, 323 W. Jackson ave. Youngstown, died at 9:45 a. m. Saturday at the South Side hospital after a week's illness. A life-long resident of Salem, she has been living with her daughter, Mrs. Anson Tilton of Youngstown for a number of years.

Besides her daughter, she is survived by a sister, Mrs. Pearl Smart of Youngstown and two brothers, Harvey and Irvin, also of Youngstown.

Funeral service will be held at 10:30 a. m. Monday in the Trinity church in Youngstown. Rev. Russell J. Humbert will officiate.

Friends may call at the Shriver-Alison funeral home Sunday afternoon and evening.

May Re-Open Case On Ohio Air Problem
COLUMBUS, July 3—Gov. Thomas J. Herbert said today an attempt may be made to obtain a re-hearing before the Civil Aeronautics board on extending feeder airline service to various Ohio cities.

The governor said he was writing city officials to find out whether they were interested in re-opening the hearing before the board.

Gov. Herbert pointed out the CAB in its previous hearing had granted stops on the TWA system to six cities, including Findlay, Lima, Zanesville, Mansfield, Marion and Springfield. He added that there are 20 cities in the state with population ranging from 20,000 to 100,000 and another 20 cities from 10,000 to 20,000 population still without any air service.

Virginia Democrats Given Sage Advice
RICHMOND, Va., July 3—Virginia Democrats were told today they should either abide by the decision of the Philadelphia convention July 12 or secede from the party.

It was a surprise wallop from the retiring state Democratic chairman and directly opposed to the purpose of an "anti-Truman" bill passed by the 1948 general assembly.

The chairman, Horace H. Edwards, told delegates to the party's state meeting that they should not take part in the Philadelphia convention if they intend, at the last minute, to walk out in event President Truman is nominated.

"We should not," he declared, "in this childish way, pick up out marbles and go home."

The state convention met today to choose delegates to the national convention.

500 Eye Specialists Named Suit Defendants
CHICAGO, July 3—The government today named nearly 500 eye specialists throughout the nation as defendants in its price-fixing suit against Bausch & Lomb Optical Co. and three subsidiaries.

The oculists named in a petition filed in federal court by the anti-trust division are accused of accepting rebates on glasses prescribed for their patients.

Bausch & Lomb headquarters are in Rochester, N. Y.

Ask Wage Increases
CLEVELAND, July 3—A general wage increase of 20 per cent will be asked this month by the American Flint Glass Workers' union (AFL), President Harry H. Cook said last night. Other demands, he said, will include six paid holidays, improved vacation with pay and a proposal

that national and state election days be declared holidays.

Ask Court To Compel Firm To Reduce Smoke
ZANESVILLE, July 3—A group of residents of Philo and Dunbar Falls asked common pleas court today to compel the Ohio Power Company to reduce the smoke from its Philo plant.

In asking for an injunction they said that the smoke was discoloring paint on houses, destroying shrubbery and creating an unhealthy condition.

The court took the request under advisement.

Our Measure of Usefulness

The best measure of the strength and usefulness of a bank lies in the experience of its management and its sense of responsibility toward the community.

The First National Bank is proud of its Statement of Condition and its capacity to serve this community. You are invited to come in and let an officer explain the factors relating to the strength and liquidity of this bank.

Most people not figure minded, judge a bank by its record of service, by the loans it makes to local enterprises and to make farms more productive, and by the courtesy of every employee day after day. By these standards, also, the First National Bank is proud to be judged.

LOOK AHEAD... with FIRST NATIONAL.
